REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS TO THE BOARD OF DIRECTORS OF ARAB BANKING CORPORATION (B.S.C.)

#### Introduction

We have reviewed the accompanying interim consolidated statement of financial position of Arab Banking Corporation (B.S.C.) [the Bank] and its subsidiaries [together the Group] as at 30 June 2010 and the related interim consolidated statements of income, comprehensive income, cash flows and changes in equity for the six-month period then ended and explanatory notes. The Board of Directors of the Bank is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with International Accounting Standard 34 [IAS 34] Interim Financial Reporting. Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

#### Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with IAS 34.

#### 4 RECLASSIFICATION OF FINANCIAL ASSETS

In October 2008, the International Accounting Standards Board [IASB] issued amendments to IAS 39 "Financial Instruments: Recognition and Measurement" and IFRS 7 "Financial Instruments: Disclosures" titled "Reclassification of Financial Assets". The amendments to IAS 39 permit reclassification of financial assets from the available-for-sale category to the other non-trading securities category in certain circumstances.

The amendments to IFRS 7 introduce additional disclosure requirements if an entity has reclassified financial assets in accordance with the IAS 39 amendments. The amendments are effective retrospective from 1 July 2008.

Per the amendments to IAS 39 and IFRS 7, "Reclassification of Financial Assets", the Group reclassified certain available-for-sale securities assets to other non-trading securities carried at amortised cost. The Group identified assets, eligible under the amendments, for which it had a clear intent to hold for the foreseeable future. The assets were reclassified with retrospective effect as on 1 July 2008.
