REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS TO THE BOARD OF DIRECTORS OF ARAB BANKING CORPORATION (B.S.C.)

Introduction

We have reviewed the accompanying interim consolidated statement of financial position of Arab Banking Corporation (B.S.C.) [the Bank] and its subsidiaries [together the Group] as at 30 June 2011 and the related interim consolidated statements of income, comprehensive income, cash flows and changes in equity for the six-month period then ended and explanatory notes. The Board of Directors of the Bank is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with International Accounting Standard 34 [IAS 34] Interim Financial Reporting. Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with IAS 34.

1 INCORPORATION AND ACTIVITIES

The parent bank, Arab Banking Corporation (B.S.C.) [the Bank] is incorporated in the Kingdom of Bahrain by an Amiri decree and operates under a wholesale banking license issued by the Central Bank of Bahrain.

The Bank's registered office is at ABC Tower, Diplomatic Area, P.O. Box 5698, Manama, Kingdom of Bahrain and its shares are listed on the Bahrain Stock Exchange.

Approval of financial statements

These interim condensed consolidated financial statements were authorised for issue by the Board of Directors on 17 July 2011.

Recent developments in the MENA region

The Group operates or undertakes business in several countries in the MENA region in which serious social and political unrest has occurred over the course of the first half of the year (or period ended 30 June 2011); in some countries, the unrest has now largely abated, whilst in others the unrest is continuing. The Group is closely monitoring developments in these countries and has taken steps to mitigate any adverse impact on its operations.

The Board of Directors considers that these events may disrupt the flow of new business to the Group for a short period. However, the geographical diversification of the Group is serving it well in mitigating this situation, as a number of stable markets where the Group operates continue to perform up to expectations or better. In the longer term, as events stabilise, the Board of Directors is optimistic that the Group's long established relationships and contacts in these markets will mean that business levels will return to normal levels.

During the period ended 30 June 2011, as a result of events arising out of social and political unrest in Libya, the United Nations Security Council called upon member states to impose economic sanctions on a number of Libyan or Libyan related individuals and entities, including the Central Bank of Libya. The Central Bank of Libya owns 59.37% of the issued share capital of the Bank. Neither the United Nations Security Council nor any member state has called for any economic sanctions to be imposed on any member of the Group.

In 2010, the Bank entered into an agreement to acquire a 49% equity stake in Mediterranean Bank, a bank incorporated in Libya. However, the conditions precedent to the completion of the acquisition were not satisfied by Mediterranean Bank by 31 January 2011 (the contractually required cut-off date) and, therefore, the Bank is no longer obligated to complete the acquisition. In view of recent events in Libya, it is not expected that the Bank will take any steps to complete the acquisition in the near future.

At the time of approval of these interim condensed financial statements, the Board of Directors were satisfied that the liquidity position of the Group remained satisfactory, and that the Group had liquidity resources to enable it to meet its obligations for the foreseeable future, including its prospective flow of new business.

4 RECLASSIFICATION OF FINANCIAL ASSETS

In October 2008, the International Accounting Standards Board [IASB] issued amendments to IAS 39 "Financial Instruments: Recognition and Measurement" and IFRS 7 "Financial Instruments: Disclosures" titled "Reclassification of Financial Assets". The amendments to IAS 39 permit reclassification of financial assets from the available-for-sale category to the other non-trading securities category in certain circumstances.

The amendments to IFRS 7 introduce additional disclosure requirements if an entity has reclassified financial assets in accordance with the IAS 39 amendments. The amendments are effective retrospective from 1 July 2008.

Per the amendments to IAS 39 and IFRS 7, "Reclassification of Financial Assets", the Group reclassified certain available-for-sale securities assets to other non-trading securities carried at amortised cost. The Group identified assets, eligible under the amendments, for which it had a clear intent to hold for the foreseeable future. The assets were reclassified with retrospective effect as on 1 July 2008.

The carrying value and fair value of the assets reclassified are as follows:

	Unaudited	Audited
	30 June	31 December
	2011	2010
Carrying value	2,605	3,082
